

Project Title

My Task Buddy

(Corporate Task Management Solution.)

Description

Welcome to Task Buddy,

At Task Buddy, we believe that productivity should be simple and enjoyable. Our mission is to provide a user-friendly platform that helps individuals and teams manage tasks effectively, ensuring everyone stays organised and on track. There are two types of login for user 1) Employee login 2) Manager login

With Task Buddy, collaboration is seamless. You can easily share tasks, assign responsibilities, and track progress, ensuring everyone is on the same page.

Task Buddy intelligently divides tasks among users, optimising workload distribution and ensuring everyone's skills are utilised efficiently.
